

## PRINCE2® 2017 FOUNDATION (ENGLISH VERSION)

Dauer: 3 Tage

Nr.: 12327

Durchführungsart: Präsenztraining

Schulungsmethode: Interactive presentation, group exercises, discussion, mock-up exams.

Zielgruppe: Corporate management functions involved in projects, project board members, project managers, project team members and their superiors.

Voraussetzungen: No special requirements.

PRINCE2® (PRojects IN Controlled Environments) is a proven project management methodology which provides an easily tailored and scalable method for the management of all types of projects. PRINCE2® is practised worldwide and as best practice framework it offers precise recommendations with common processes, management products, roles, and language for use throughout an organisation's projects. Participants in this training will gain knowledge of the methodology and terminology of PRINCE2® and can apply them within their project work.

### Programm

**PRINCE2® is a registered trade mark of AXELOS Limited, used under permission of AXELOS Limited. All rights re-served.**
